**SHIRE OF THREE SPRINGS
ORDINARY COUNCIL MEETING NOTICE PAPER
17TH JULY 2019**

President and Councillors,

An ordinary meeting of Council is called for Wednesday, 17th July 2019, in the Council Chambers, Railway Road, Three Springs commencing at 1:30pm.

**Sylvia Yandle
Chief Executive Officer**

12th July 2019

THREE SPRINGS SHIRE COUNCIL

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Three Springs for any act, omission or statement or intimation occurring during Council/Committee meetings or during formal/informal conversations with staff.

The Shire of Three Springs disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement occurring during Council/Committee meetings or discussions. Any person or legal entity that acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Three Springs during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Three Springs. The Shire of Three Springs warns that anyone who has an application lodged with the Three Springs Shire Council must obtain and only should rely on **WRITTEN CONFIRMATION** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Three Springs in respect of the application.

SHIRE OF THREE SPRINGS

AGENDA FOR ORDINARY MEETING OF COUNCIL TO BE HELD IN COUNCIL CHAMBERS ON 17th July 2019 COMMENCING AT 1.30 PM.

9.1.1. PROPOSED REZONING OF CONNAUGHTON'S SOAK

Agenda Reference: TP 7/19-01
Location/Address: Lot 11133 Morawa-Three Springs Road, Dudawa
Name of Applicant: Landwest for CS & PF Connaughton & Water Corporation
File Reference: ADM0158
Disclosure of Interest: Nil
Date: 28 June 2019
Author: Simon Lancaster, DCEO Shire of Chapman Valley and Sylvia Yandle, CEO

Signature of Author: _____

SUMMARY

Council resolved at its 20 February 2019 meeting to initiate Scheme Amendment No.2 to rezone Lot 11133 Morawa-Three Springs Road, Dudawa (Connaughton's Soak) from the 'Public Purposes-Infrastructure Services' zone to the 'Rural' zone, to enable its amalgamation into the surrounding landholding. The required advertising has now been concluded with no objections having been received, and this report recommends Council's adoption of Scheme Amendment No.2.

ATTACHMENTS

9.1.1 Schedule of Submissions (refer Consultation section)

BACKGROUND

Lot 11133 is a 5.1618ha battleaxe property containing disused Water Corporation infrastructure including wells/pits, pipes and a concrete water tank. The lot is located approximately 4km north of the Three Springs townsite on the western side of the Morawa-Three Springs Road.

Figure 9.1.1(a) – Location Map for Lot 11133 Morawa-Three Springs Road, Dudawa

Lot 11133 was originally excised from the surrounding Lot 5 in 1974 for the purposes of water supply and the Water Corporation have now identified Lot 11133 as being surplus to its requirements. The Water Corporation initially approached Council and it was resolved at the 20 September 2017 meeting that Council did not require the land and had no objection to its disposal to the adjoining landowner and its rezoning to 'Rural'.

The Water Corporation then approached the landowner of the 345.18ha Lot 5 (CS & PF Connaughton) which surrounds Lot 11133, and agreement has been reached for them to purchase Lot 11133 and amalgamate it into their landholding.

Figure 9.1.1(b) – Aerial Photo of Lot 11133 Morawa-Three Springs Road, Dudawa

Figure 9.1.1(c) – View west towards Lot 11133 from Morawa-Three Springs Road

COMMENT

Lot 11133 is zoned 'Public Purposes-Infrastructure Services' under the Shire of Three Springs Local Planning Scheme No.2 ('the Scheme') and the Water Corporation have required as a

condition of sale into private ownership that the zoning should be amended to no longer be for public purposes to satisfy the *Water Services Act 2012*. The 'Rural' zone is the most appropriate zoning, to correspond with the surrounding area.

CONSULTATION

Following Council's 20 February 2019 resolution, Scheme Amendment No.2 was referred to the Environmental Protection Authority ('EPA') for its assessment as per Section 81 of the *Planning & Development Act 2005*. The EPA advised on 1 April 2019 that the Amendment did not warrant assessment under Part IV Division 3 of the *Environmental Protection Act 1986*.

The Western Australian Planning Commission ('WAPC') were duly advised of the EPA determination and the Shire's intention to advertise Scheme Amendment No.2 as a standard amendment. Advertising took place in accordance with the provisions of the *Planning & Development Act 2005* from 8 May 2019 until 21 June 2019 inclusive of the following actions:

- notice placed in the Mid West Times on 8 May 2019;
- notice placed on-site,
- Scheme Amendment No.2 documentation made available for viewing at the Shire office;
- Scheme Amendment No.2 documentation made available for viewing on the Shire website;
- letters being sent to the landowners of the 6 surrounding lots inviting comment;
- letters being sent to Alinta Energy, ATCO Gas, Department of Biodiversity, Conservation & Attractions, Department of Fire & Emergency Services, Department of Health, Department of Planning, Lands & Heritage, Department of Primary Industries & Regional Development, Department of Water and Environment Regulation, Main Roads WA, Telstra, Water Corporation, Western Power and Westnet Energy inviting comment.

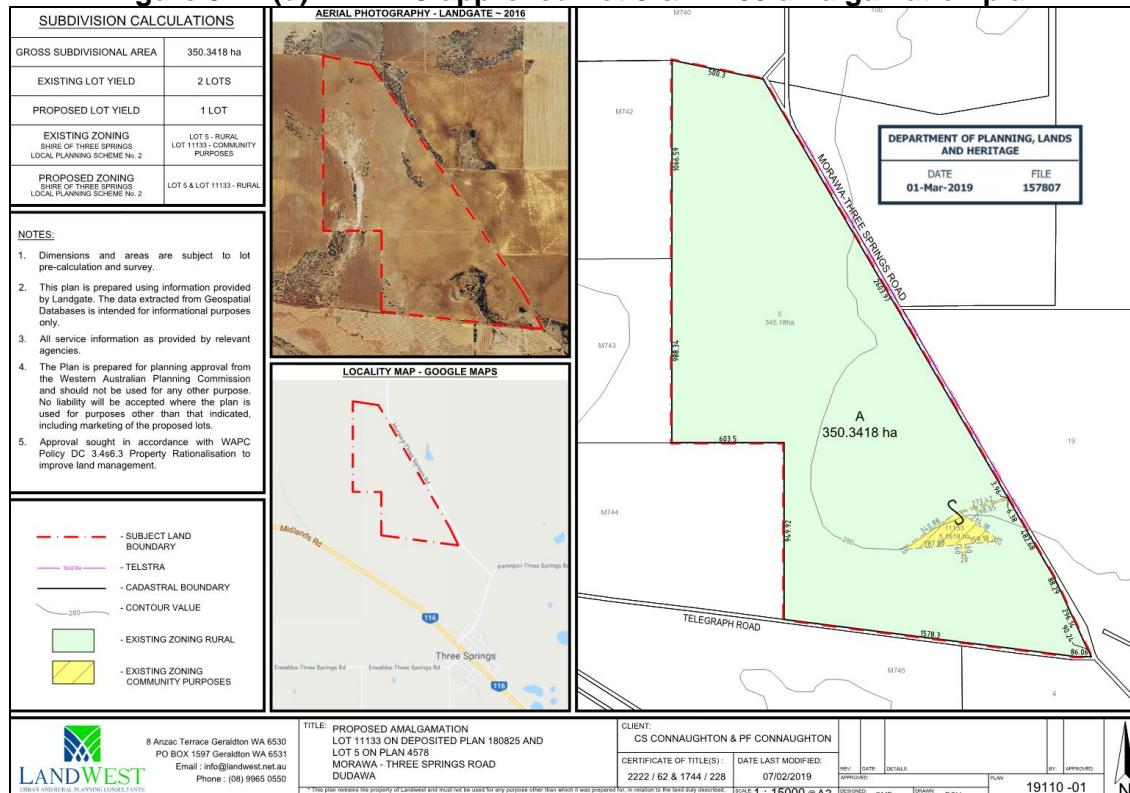

At the conclusion of the advertising period 7 submissions had been received, all from government agencies, and all offering no objection to the proposed rezoning.

The Scheme Amendment No.2 Schedule of Submissions that is required to be forwarded to the WAPC is provided below. The Schedule of Submissions identifies the respondents, the nature of their submissions, and provides individual comment upon any raised issues. Copies of the received submissions can also be provided to Councillors upon request.

Submission No.	Respondent	Nature of Submission	Comment	Recommendation
1 (20/5/19)	Department of Primary Industries & Regional Development	DPIRD has no objections to the proposed rezoning.	Advice of no objection to rezoning proposal noted.	No modification to Scheme Amendment No.2 required.
2 (21/5/19)	Main Roads WA	Proposal is not located within or adjacent to a road reserve under MRWA jurisdiction. MRWA has no current plans in the area that would effect the proposal. As a result, MRWA has no objection to the proposal.	Advice of no objection to rezoning proposal noted.	No modification to Scheme Amendment No.2 required.
3 (22/5/19)	ATCO Gas	ATCO have reviewed the information provided and confirms that it doesn't own nor operate gas mains or infrastructure within the vicinity of Lot 11133.	Advice of no objection to rezoning proposal noted.	No modification to Scheme Amendment No.2 required.
4 (23/5/19)	Department of Biodiversity, Conservation & Attractions	DBCA has no objection to the rezoning and anticipates that any associated environmental impacts will be appropriately managed through the exiting	Advice of no objection to rezoning proposal noted.	No modification to Scheme Amendment No.2 required.

		planning framework.		
5 (27/5/19)	Department of Water and Environment Regulation	DWER has reviewed the proposal and has no objection, and offers the following advice: Lots 5 & 11133 both form part of the Threatened Ecological Communities Buffer for Priority 3 – Critically Endangered Eucalypt woodland of the Western Australian Wheatbelt. DWER recommends no clearing of remnant vegetation as to not degrade this existing vegetation. If the landholder is not intending to utilise the existing bores on Lot 11133 they should be decommissioned consistent with the Minimum Construction Requirements for Water Bores in Australia 3 rd Edition 2012.	Advice of no objection to rezoning proposal noted. The proposed rezoning will not lead to a change in on ground land use practices.	No modification to Scheme Amendment No.2 required.
6 (6/6/19)	Department of Fire & Emergency Services	The scheme amendment is not considered an intensification of land use, DFES is satisfied with the decision maker determining if the application of <i>State of Planning Policy 3.7 Planning in Bushfire Prone Areas</i> (SPP 3.7) is necessary.	Advice of no objection to rezoning proposal noted.	No modification to Scheme Amendment No.2 required.
7 (24/5/19)	Water Corporation	Water Corporation supports the proposed change to the Scheme. Reticulated water and sewerage is currently not available to the subject land. Application 157807 was approved by the WAPC on 23/5/19 and the Water Corporation will address all our requirements via that process.	The applicant was also required to lodge an application with the WAPC to amalgamate Lot 11133 into Lot 5 (that Council supported at its 20/2/219 meeting) and the WAPC approved that application on 23/5/19, meaning that the applicant now has 3 years in which to lodge the necessary survey diagram with Landgate to complete the amalgamation process (i.e. the existing 2 Certificates of Title will be superseded by 1 new Certificate of Title as created by the survey diagram).	No modification to Scheme Amendment No.2 required.

Figure 9.1.1(d) – WAPC approved Lot 5 & 11133 amalgamation plan

STATUTORY ENVIRONMENT

Part 5 of the *Planning & Development Act 2005* provides for the amendment of a Scheme.

Figure 9.1.1(e) – Scheme Map relevant to Lot 11133 Morawa-Three Springs Road

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

Nil

STRATEGIC IMPLICATIONS

Section 3.0 of the applicant's submitted Scheme Amendment documentation (provided as a separate attachment with the 20 February 2019 Council Agenda) demonstrated the proposed rezoning's compliance with Council's strategic documents. It is considered that the rezoning of Lot 11133 and its disposal to the surrounding landowner will ensure the land's continuing use and avoid it becoming neglected were it to remain under public ownership.

VOTING REQUIREMENTS

Simple Majority

OFFICERS RECOMMENDATION – ITEM 9.1.1

That Council:

- 1 Receive the submissions as outlined in the Schedule of Submissions.
- 2 Adopt for final approval Scheme Amendment No.2 to Shire of Three Springs Local Planning Scheme No.2 pursuant to Part 5 of the *Planning and Development Act 2005* as follows:
 - (a) Rezoning Lot 11133 Morawa-Three Springs Road, Dudawa from the Local Scheme Reserve 'Public Purposes–Infrastructure Services' to the 'Rural' zone; &
 - (b) Modifying the Scheme Map accordingly.
- 3 Seek final approval of Scheme Amendment No.2 from the Minister for Planning.

9.1.2. PROPOSED RESIDENCE

Agenda Reference: TP 7/19-02
Location/Address: 39 (Lot 9) Slaughter Street, Three Springs
Name of Applicant: A. Al-Shammari
File Reference: A461
Disclosure of Interest: Nil
Date: 4 July 2019
Author: Simon Lancaster, Planning Advisor & Sylvia Yandle, CEO

Signature of Author: _____

SUMMARY

Council is in receipt of an application for the placement of a sea container upon 39 (Lot 9) Slaughter Street, Three Springs, and the construction of a structure around portion of the sea container, to serve as a residence. This report recommends that the applicant be required to provide additional information and the application then be advertised for comment and returned to Council for its further consideration.

ATTACHMENT

9.1.2 Copy of application

BACKGROUND

Lot 9 is a 1,012m² property on the corner of Slaughter Street and Young Street in the Three Springs townsite.

Figure 9.1.2(a) – Location Plan for 39 (Lot 9) Slaughter Street, Three Springs

A copy of the received application has been provided as **Attachment 9.1.2** for Council's consideration.

Figure 9.1.2(b) – Aerial Photograph of 39 (Lot 9) Slaughter Street, Three Springs

COMMENT

The applicant has placed a '40 foot' (12m x 2.5m) sea container upon Lot 9 without obtaining the necessary prior approval of the Shire.

The applicant is now seeking approval for the 30m² sea container to be permanently located upon Lot 9 and undertake works to convert it into a dwelling. The applicant also proposes to construct a 9m x 4m (36m²) two-storey (5m high) structure, that would look similar to the central section of a barn-style shed, at 90° over the central section of the sea container to serve as additional dwelling area.

The proposed residence would be setback 7.5m from the Slaughter Street property boundary and 4m from the Young Street property boundary.

The applicant has advised that the estimated time of completion for their proposed development would be 1 year.

Option 1 – Require additional information and advertise application (recommended option)

It is considered that the applicant has provided insufficient information for Council to be able to make reasonable determination upon this matter. Accordingly the recommendation is for the applicant to be required to submit additional information, and that upon receipt of this information the application be advertised for comment to enable the opportunity for community consultation, prior to the matter being returned to Council at a future meeting for its determination.

Option 2 – Approve application subject to conditions

Alternatively, in the event that Council considers the application has merit and should be supported then the following may be considered appropriate.

"That Council grant formal planning approval for the placement of a sea container and the construction of a structure around portion of the sea container, and additional internal and external works to serve as a residence upon 39 (Lot 9) Slaughter Street, Three Springs subject to compliance with the following:

Conditions:

- 1 Development shall be in accordance with plans included within Attachment 9.1.2 to the Council Agenda report and subject to any modifications required as a consequence of any condition(s) of this approval. The endorsed plans shall not be modified or altered without the prior written approval of the local government.*
- 2 Any additions to or change of use of any part of the buildings or land (not the subject of this consent/approval) requires further application and planning approval for that use/addition.*
- 3 The development shall be clad in colours and materials and to a finish to the approval of the local government.*
- 4 The development must not be occupied until it is compliant with the Class 1 requirements of the Building Code of Australia to the approval of the local government.*
- 5 Fencing and landscaping is required to be installed and maintained between the development and Slaughter Street, Young Street and the rear laneway, for the purpose of softening and screening the visual impact of the development to the approval of the local government.*
- 6 All stormwater is to be disposed of on-site to the approval of the local government.*
- 7 Any soils disturbed or deposited on-site shall be stabilised to the approval of the local government.*
- 8 Installation of crossing place/s to the standards and specifications of the local government.*
- 9 A bond of \$5,000 must be lodged by the applicant with the local government that will be returned upon completion of the requirements pertaining to the abovementioned conditions within a period of 12 months, and in the event that the works described in the application are not carried out within the 12 month timeframe the bond shall be forfeited to the local government.*

Advice Notes:

- (i) In regards to condition 9 should the bond be forfeited then Shire staff will present a report to Council for its consideration outlining how the forfeited bond monies should be expended to address the outstanding conditions.*
- (ii) If an applicant is aggrieved by this determination there is a right pursuant to the Planning and Development Act 2005 to have the decision reviewed by the State Administrative Tribunal. Such application must be lodged within 28 days from the date of determination."*

Option 3 – Refuse application

Alternatively, in the event that Council considers the application does not have merit and should not be supported then the following may be considered appropriate.

"That Council refuse the application for the placement of a sea container and the construction of a structure around portion of the sea container, and additional internal and external works to serve as a residence upon 39 (Lot 9) Slaughter Street, Three Springs for the following reasons:

- 1 The development is considered contrary to the objectives of the 'Residential' zone as contained in Table 2 of the Shire of Three Springs Local Planning Scheme No.2 and Schedule 1 Part 3 Clause 16 of the Planning and Development (Local Planning Schemes) Regulations 2015.*
- 2 The development is considered contrary to the purposes and aims of the Shire of Three Springs Local Planning Scheme No.2.*

- 3 *In its consideration of the application Council is not satisfied that the development satisfies the matters under Schedule 2 Part 9 Clause 67 of the Planning and Development (Local Planning Schemes) Regulations 2015.*
- 4 *The development is considered contrary to the objectives under Part 5 of the Residential Design Codes of Western Australia.*
- 5 *The development is considered contrary to the vision and objectives as outlined in the Three Springs Townsite Strategy.*
- 6 *Approval of this application may well set an undesirable precedent which in time could prove to be detrimental to the amenity of the locality.*

Advice Note:

Should the applicant be aggrieved by this determination there is a right pursuant to the Planning and Development Act 2005 to request to have the decision reviewed by the State Administrative Tribunal. Such application must be lodged within 28 days from the date of determination."

That Council issue written direction to the landowner of 39 (Lot 9) Slaughter Street, Three Springs requiring removal of the sea container from their property within 60 days."

CONSULTATION

Part 4 of the Residential Design Codes of Western Australia (the 'R-Codes') notes that where an application is made for development approval which presents a possible impact on the amenity of adjoining owners and occupiers then the decision-maker may consider advertising the application.

Figure 9.1.2(c) – View north of Lot 9 from corner of Slaughter Street & Young Street

Figure 9.1.2(d) – View south-west of Lot 9 from Young Street

STATUTORY ENVIRONMENT

39 (Lot 9) Slaughter Street is zoned 'Residential R10' under the Shire of Three Springs Local Planning Scheme No.2 ('the Scheme').

The objectives listed in Table 2 of the Scheme and Schedule 1 Part 3 Clause 16 of the *Planning and Development (Local Planning Schemes) Regulations 2015* for the 'Residential' zone are as follows:

- “• To provide for a range of housing and a choice of residential densities to meet the needs of the community.
- To facilitate and encourage high quality design, built form and streetscapes throughout residential areas.
- To provide for a range of non-residential uses, which are compatible with and complementary to residential development.”

Schedule 2 Part 9 Clause 67 of the *Planning and Development (Local Planning Schemes) Regulations 2015* lists the following relevant matters to be considered by local government in considering a development application:

- “(a) the aims and provisions of this Scheme and any other local planning scheme operating within the Scheme area;
- (b) the requirements of orderly and proper planning including any proposed local planning scheme or amendment to this Scheme that has been advertised under the *Planning and Development (Local Planning Schemes) Regulations 2015* or any other proposed planning instrument that the local government is seriously considering adopting or approving;...
- ...(m) the compatibility of the development with its setting including the relationship of the development to development on adjoining land or on other land in the locality including, but not limited to, the likely effect of the height, bulk, scale, orientation and appearance of the development;
- (n) the amenity of the locality including the following —
 - (i) environmental impacts of the development;

- (ii) *the character of the locality;*
- (iii) *social impacts of the development;...*
- ...(p) *whether adequate provision has been made for the landscaping of the land to which the application relates and whether any trees or other vegetation on the land should be preserved;...*
- ...(x) *the impact of the development on the community as a whole notwithstanding the impact of the development on particular individuals;*
- (y) *any submissions received on the application;...*
- ...(zb) *any other planning consideration the local government considers appropriate."*

A 'Single House' is listed as a permitted use within the 'Residential' zone, and applications within this zone that comply with the requirements of the Scheme, any Local Planning Policies and the R-Codes can ordinarily proceed to lodgement of the building permit application without requirement to lodge a planning application.

However, in this instance it has been determined that as the application is not proposing to erect a dwelling on-site, and instead place a non-habitable sea container on-site and then undertake subsequent works to convert the sea container into a residence that it does not satisfy the criteria under Schedule 2 Part 7 Section 61 of the *Planning and Development (Local Planning Schemes) Regulations 2015* and that lodgement of a planning application, and obtaining of development approval is required.

In the event that Council deems that the application should be refused it may also consider it appropriate to issue written direction under Section 214 of the *Planning and Development Act 2005* to the landowner of 39 (Lot 9) Slaughter Street, Three Springs requiring that the sea container be removed within 60 days. Should a landowner fail to comply with a direction, they are deemed to commit an offence and are liable to a maximum penalty of \$200,000 and in the case of a continuing offence, a further maximum fine of \$25,000 for each and every day during which the offence continues. Parties may apply to the State Administrative Tribunal for review of the decision within 28 days of being given direction.

POLICY IMPLICATIONS

The R-Codes establish criteria by which Shire staff may approve applications under delegated authority, and this application has been brought before Council for its determination as it is considered to exceed this delegated authority.

Part 5 of the R-Codes contains the objective of ensuring that residential development meets community expectations in regards to appearance, use and amenity.

The issues of amenity, design, streetscape and appearance are often matters that are subject to debate and subjectivity, the Part 4 of the Explanatory Guidelines to the R-Codes makes some comment on this as follows:

"Physical and natural attributes combine to define the character of an area. It is important that development maintains and enhances local or neighbourhood character. In situations where areas are undergoing transition, good design will reflect the future desired character of the area as outlined in the local planning framework. However, if no future desired character has been set out, development should respond to the existing character of the area, in terms of its scale, function and visual appearance."

Slaughter Street has a residential streetscape on its eastern side that is generally comprised of single storey older houses that might be considered at odds with the proposed development, however, it is reasonable to note also that the streetscape is dominated by the CBH grain receival infrastructure on its western side, and also contains non-residential

elements including fuel storage facilities, sporting fields and former/current commercial buildings.

FINANCIAL IMPLICATIONS

Nil.

STRATEGIC IMPLICATIONS

The Three Springs Townsite Strategy (2014) identifies Lot 9 Slaughter Street as being within 'Precinct 2 – Residential East' and list the following objectives and provisions:

Objectives	Planning Provisions
02.3 Encourage a consistent pattern in the orientation, scale, and siting of residential development.	P2.10 In the case of residential redevelopment new buildings and development proposals shall respect the predominant orientation, scale and size of buildings and regular street pattern. New development is not to be sited in a way that would create an undesirable pattern of development for the area.
	P2.11 The development of second-hand transportable dwellings is discouraged.
	P2.12 Where there is an existing pattern of uniform setbacks, any new buildings, residential or commercial, shall be sympathetic to this continuity. Where adjoining buildings abut the street frontage, new development should preferably also abut the street frontage.
	P2.13 Roof materials for residential areas should include corrugated galvanised iron, zincalume coated steel and other material that are in keeping with the surrounding pattern of residential development.
	P2.14 Ancillary buildings or outbuildings should generally be located to the rear of allotments.

The Strategy also notes in Section 4.1.5 'Architectural Style' the following:

"Architectural style can refer to a combination of factors that influence building construction, such as built form, construction materials and local character. Architectural styles evolve over time and reflect the historic context and growth of an area. The local architecture of Three Springs spans many eras from the 1900s to the present, nevertheless there are still common elements from different periods that can, when possible, be incorporated into new development.

Early residences incorporate hipped iron roofs with verandahs (see plate 5). There is also a mixture of residences from the 1960's to 1980's of brick and tile style that retain the simple architectural form of these early residences including low front fences (see Plate 6).

Present day residential development is largely characterised by houses that are constructed of weatherboard, corrugated iron and/or Colorbond sheeting (see Plate 7). Some newer homes have returned to passive climate responses typical of earlier housing and incorporate eaves and verandahs into the design detail. In keeping with the rural nature of the community many homes have larger sheds and outbuildings, rainwater tanks and other modern improvements (see Plate 8).

In order to promote flexibility and encourage new residential development, it is not recommended that any design controls be implemented for residential dwellings, however developers are encouraged to draw from the architectural palette of traditional homes in the townsite when planning new development."

Figure 9.1.2(e) – extract from Three Springs Townsite Strategy

PLATE 5 EARLY RESIDENCES

PLATE 6 BRICK AND TILE RESIDENCE

PLATE 7 CLAD AND IRON RESIDENCE

PLATE 8 CONTEMPORARY RESIDENCE

The Three Springs Townsite Strategy also noted the following as a Consultation Outcome in its summary of workshop outcomes (page 35):

“The community didn’t want specific building constraints in terms of urban design as the Town Planning Scheme is considered to cover most broad specifications. It was noted that poor second hand transportables are not desirable within the townsite.”

VOTING REQUIREMENTS

Simple Majority

OFFICER RECOMMENDATION – ITEM 9.1.2

That Council defer its consideration upon the application for the placement of a sea container and the construction of a structure around portion of the sea container, and additional internal and external works to serve as a residence upon 39 (Lot 9) Slaughter Street, Three Springs pending the following:

- 1 The applicant is required to submit additional information upon their proposed development in relation to the following:

- (a) proposed roof and wall cladding materials;
 - (b) proposed external colours;
 - (c) further details to be provided on the site plan including reference to proposed fencing, landscaping, driveway/vehicle access points, on-site vehicle parking areas and proposed finished floor level information relevant to existing ground level; &
 - (d) timeframe for proposed work schedule stages.
- 2 Upon receipt of the required additional information that the application be advertised for public comment for a minimum period of 21 days and the application, along with any received submissions be returned to a future meeting of Council for its consideration.

21st June 2019

Planning Department
Shire of Three Springs
Box 117
THREE SPRINGS WA 6519

Dear Sir/Madam,

Re: Planning Application 39 Slaughter Street

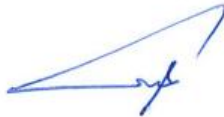

I wish to apply for planning approval to site a sea container upon Lot 39 Slaughter Street, Three Springs and develop it as a residence.

Attached is the Application for Planning Approval along with site placement plan, side and front elevation views, floor plan based on Tiny Quality Homes and an example of similar type of constructions.

Application fee of \$147.00 has been paid to Shire of Three Springs.

Thanking you.

Yours faithfully,

Ahmed Al-Shammari

Planning Compliance Issues for Storage of Sea Containers

Local governments frequently deal with enforcement issues arising from the placement and storage of sea containers on land without approval. A recent prosecution in the Magistrates Court affirmed the proposition that, unless it is incidental to an approved land use, the storage of a sea container is a use of land for which development approval is required.

Recent Decision in Kalgoorlie Magistrates Court

On 4 June 2019, a landowner was convicted in the Kalgoorlie Magistrates Court of an offence of failing to comply with a direction served on him under section 214(2) of the *Planning and Development Act 2005 (Act)*. The direction required the landowner to cease using the subject property for the storage of a sea container and, by failing to comply with that direction, the landowner was convicted of an offence under section 214(7) of the Act.

In that case, the sea container was stored on a vacant property, for which there were no current development approvals. Accordingly, there was no approved use of land to which the storage of a sea container could be characterised as reasonably incidental. The landowner gave evidence to the effect that the sea container was empty at the time of the relevant offence and contended that the placement of the sea container on the property was not unlawful as the sea container did not constitute a building. However, the direction served on the landowner related to the unlawful use of land, rather than unlawful works being carried out on land, and the Court found that the storage of the sea container required development approval under the relevant local planning scheme. The Court imposed a penalty of \$4,000 and ordered the landowner to pay costs exceeding \$8,000 to the City.

A recent prosecution in the Magistrates Court affirmed the proposition that, unless it is incidental to an approved land use, the storage of a sea container is a use of land for which development approval is required.

General Principles

While there is a general understanding by local governments that sea containers require development approval, there will be a number of issues for local governments to consider in determining whether the storage of a sea container on a particular property requires development approval and therefore potentially constitutes a contravention of a planning scheme.

Some local government planning schemes may contain specific provisions relating to the placement or storage of sea containers on land. Where a local planning scheme specifically prohibits the storage of sea containers in particular zones without approval, it may not be necessary for local governments to further assess whether the storage of that sea container may be reasonably incidental to a permitted predominant use of a property. However, where a local government planning scheme does not specifically address the storage of sea containers, a local government will need to consider the zoning of the relevant property and the effect of any permitted or approved uses of that property.

The State Administrative Tribunal has, on several occasions, established the proposition that the storage of a sea container on a property will amount to a development or use of land which requires development approval, as held in *Chapman and City of Armadale* [2011] WASAT. Where there is no other approved or permitted use of the property being carried out, it will be sufficient for a local government to demonstrate that a sea container is present on a property with no other applicable approval in force. However, in some circumstances the storage of a sea container on a property could be found to be reasonably incidental to a permitted or approved use of the property. For example, if a property is being used for an approved agricultural or industrial use, the use of a sea container to store materials reasonably incidental to that use will not necessarily require a separate development approval.

Where there is no other approved or permitted use of the property being carried out, it will be sufficient for a local government to demonstrate that a sea container is present on a property with no other applicable approval in force.

Enforcement Considerations

Accordingly, when dealing with potential compliance issues relating to the storage of sea containers on property, it is essential that a local government seeks to ascertain the purpose for which the sea container is being used. In the majority of cases, a sea container is likely to require development approval. However, local governments must assess the entirety of the circumstances and, in particular, consider the zoning and any existing approvals of the relevant properties to ascertain whether a sea container requires development approval or is otherwise being used in a manner which may be reasonably incidental to a permitted use of the property.

9.1.3 PROPOSED OUTBUILDINGS LOCAL PLANNING POLICY

Agenda Reference: TP 7/19-03
Location/Address: Shire of Three Springs
Name of Applicant: Shire of Three Springs
File Reference: ADM0200
Disclosure of Interest: Nil
Date: 5 July 2019
Author: Simon Lancaster, Planning Advisor & Sylvia Yandle, CEO

Signature of Author: _____

SUMMARY

Council resolved at its 20 February 2019 meeting to instruct Shire staff to prepare a draft 'Outbuildings' Local Planning Policy for its consideration. A draft Outbuildings Local Planning Policy is now presented to Council for discussion and this report recommends that the draft policy be advertised for comment.

ATTACHMENT

9.1.3 Copy of draft Outbuilding Local Planning Policy

BACKGROUND

The Shire of Three Springs does not presently have a policy in relation to residential outbuildings, and in the absence of such a policy the Residential Design Codes of Western Australia (the 'R-Codes') establish the criteria by which Shire staff may approve applications for sheds under delegated authority upon the residential zoned lots within the Three Springs townsite.

Section 5.4.3.C3 of the R-Codes requires that outbuildings should collectively be not more than 60m² or 10% in aggregate of the site area whichever is the lesser. The R-Codes also establish that the outbuilding should not exceed a wall height of 2.4m and a ridge height of 4.2m.

It is suggested that Council may wish to consider adopting an Outbuildings Local Planning Policy that allows for sheds in the Three Springs townsite of greater area and height than prescribed by the R-Codes. Many other Mid West local governments have adopted such a policy to better respond to the needs of its communities and reflect localised planning issues, and streamline the processing of applications.

Such policies establish a greater maximum outbuilding area/height in recognition that the R-Codes criteria are often metro-centric and do not adequately address the requirements for general domestic storage in a regional, rural townsite and rural-residential setting where residents may often own, and seek to store out of the elements, larger items such as 4WD's, trailers, caravans, campervans, boats, craypots, ride-on mowers, motor/quadbikes and stock keeping/feeding items.

On this basis a draft Outbuildings Local Planning Policy has been provided as **Attachment 9.1.3** for Council's consideration.

The policy would establish the procedure by which the Shire would process applications for outbuildings. Applications that comply with the policy provisions would be approved by staff under delegated authority and applications that propose variation would be advertised for comment and presented to Council for its determination.

COMMENT

The draft Shire of Three Springs Local Planning Policy has been prepared with regard for the policies of neighbouring local governments in an attempt to achieve a level of regional consistency.

A summary of several other Mid West Councils' policy requirements are provided below:

Maximum standards	Shire of Mingenew	Shire of Coorow	City of Greater Geraldton	Shire of Northampton* & draft Shire of Chapman Valley
Residential & Townsite (R10 and higher density) (i.e. lots generally < 2,000m²)				
Area (total aggregate)	80m ²	120m ²	150m ² (120m ² enclosed/30m ² open)	120m ²
Wall Height	3m	4m	3.6m	3m
Overall Height	4m	4.5m	4.5m (with 5m being permitted subject to conditions e.g. not being higher than dwelling)	4.5m (*with 5m being permitted subject to conditions e.g. not being higher than dwelling)
Residential (R5 and lower density) (i.e. lots generally > 2,000m²)				
Area (total aggregate)	200m ²	180m ²	270m ² (210m ² enclosed/60m ² open)	180m ² *240m ² (lots 2,000m²+)
Wall Height	4m	4.5	4.2m	4m
Overall Height	5m	5m	5m (with 5.5m being permitted subject to conditions e.g. not being higher than dwelling)	5m *(with 5.5m being permitted subject to conditions e.g. not being higher than dwelling & 6.5m on lots 2,000m²+)
Rural Residential / Rural Smallholding (Lots < 4 ha)				
Area (total aggregate)	Exempt from the area and height requirements of the policy	200m ²	420m ² (300m ² enclosed/120m ² open)	360m ² (240m ² enclosed/120m ² open)
Wall Height		5m	4.8m	4m
Overall Height		6.5m	6.5m	5.5m 6.5m (double storey barn)
Rural Residential / Rural Smallholding (Lots > 4 ha)				
Area (total aggregate)	Exempt from the area and height requirements of the policy	240m ² (less than 20ha) Exempt if greater than 20ha	420m ² (300m ² enclosed/120m ² open)*	360m ² (240m ² enclosed/120m ² open)
Wall Height		5m (less than 20ha) Exempt if greater than 20ha	4.8m*	4m
Overall Height		6.5m (less than 20ha) Exempt if greater than 20ha	6.5m* * applies for Rural Residential lots, Rural Smallholding lots are exempt from the policy	6.5m

CONSULTATION

Schedule 2 Part Division 2 Clauses 4 & 5 of the *Planning and Development (Local Planning Schemes) Regulations 2015* requires that Council advertise a proposed Local Planning Policy for a minimum period of 21 days with a notice being placed in a locally circulating newspaper. At the conclusion of the advertising period which Council can review any submission received and proceed with the policy with/without modification, or not proceed with the policy.

The draft policy provided as **Attachments 9.1.3** proposes that applications seeking variation may be advertised by the Shire for comment to surrounding landowners, prior to the application, and any received submissions, being placed before a meeting of Council for consideration.

STATUTORY ENVIRONMENT

Table 7(10) of the Shire of Three Springs Local Planning Scheme No.2 addresses outbuildings as follows:

- "1) No outbuilding shall be erected on any land zoned Residential where there is no dwelling located on the lot.
- 2) Outbuildings appurtenant to any dwelling shall be of single storey construction and shall be located behind the setback to the street or streets of any existing or proposed dwelling on a lot."

It is proposed that these provisions be reiterated in the Outbuildings Local Planning Policy to ensure consistency and assist applicants who may seek guidance from the policy in preparing their application and do not refer to the Scheme.

The policy refers to sheds in the residential and rural residential areas and does not address sheds within the industrial areas as these are covered by the Scheme provisions which set a maximum site coverage (or plot ratio) of 0.6 in the 'Light Industrial' zone and 0.5 in the 'General Industrial' zone.

Schedule 2 Part 2 Division 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015* ('the Regulations') provides Council with the ability to prepare Local Planning Policies.

"3 Local planning policies

- (1) *The local government may prepare a local planning policy in respect of any matter related to the planning and development of the Scheme area.*
- (2) *A local planning policy —*
 - (a) *may apply generally or in respect of a particular class or classes of matters specified in the policy; and*
 - (b) *may apply to the whole of the Scheme area or to part or parts of the Scheme area specified in the policy.*
- (3) *A local planning policy must be based on sound town planning principles and may address either strategic or operational considerations in relation to the matters to which the policy applies.*
- (4) *The local government may amend or repeal a local planning policy.*
- (5) *In making a determination under this Scheme the local government must have regard to each relevant local planning policy to the extent that the policy is consistent with this Scheme.*

4 Procedure for making local planning policy

- (1) *If the local government resolves to prepare a local planning policy the local government must, unless the Commission otherwise agrees, advertise the proposed policy as follows —*
 - (a) *publish a notice of the proposed policy in a newspaper circulating in the Scheme area, giving details of —*
 - (i) *the subject and nature of the proposed policy; and*
 - (ii) *the objectives of the proposed policy; and*
 - (iii) *where the proposed policy may be inspected; and*
 - (iv) *to whom, in what form and during what period submissions in relation to the proposed policy may be made;*
 - (b) *if, in the opinion of the local government, the policy is inconsistent with any State planning policy, give notice of the proposed policy to the Commission;*
 - (c) *give notice of the proposed policy in any other way and carry out any other consultation the local government considers appropriate.*
- (2) *The period for making submissions in relation to a local planning policy must not be less than a period of 21 days commencing on the day on which the notice of the policy is published under subclause (1)(a).*
- (3) *After the expiry of the period within which submissions may be made, the local government must —*
 - (a) *review the proposed policy in the light of any submissions made; and*
 - (b) *resolve to —*
 - (i) *proceed with the policy without modification; or*
 - (ii) *proceed with the policy with modification; or*

- (iii) *not to proceed with the policy.*
 - (4) *If the local government resolves to proceed with the policy, the local government must publish notice of the policy in a newspaper circulating in the Scheme area.*
 - (5) *A policy has effect on publication of a notice under subclause (4).*
 - (6) *The local government —*
 - (a) *must ensure that an up-to-date copy of each local planning policy made under this Scheme is kept and made available for public inspection during business hours at the offices of the local government; and*
 - (b) *may publish a copy of each of those local planning policies on the website of the local government.*
- 5 *Procedure for amending local planning policy*
- (1) *Clause 4, with any necessary changes, applies to the amendment to a local planning policy.*
 - (2) *Despite subclause (1), the local government may make an amendment to a local planning policy without advertising the amendment if, in the opinion of the local government, the amendment is a minor amendment.*
- 6 *Revocation of local planning policy*
- A local planning policy may be revoked —*
- (a) *by a subsequent local planning policy that —*
 - (i) *is prepared in accordance with this Part; and*
 - (ii) *expressly revokes the local planning policy;*
 - or*
 - (b) *by a notice of revocation —*
 - (i) *prepared by the local government; and*
 - (ii) *published in a newspaper circulating in the Scheme area.”*

Local Planning Policies are guidelines used to assist the local government in making decisions under the Scheme. The Scheme prevails should there be any conflict between a Policy and the Scheme.

POLICY IMPLICATIONS

Where Council wishes to establish its own development guidelines and assessment criteria a Local Planning Policy can be more suited than Scheme provisions and allow for more local planning considerations than the state-wide R-Codes. A Policy is still considered as reasonable basis for Council to make determinations, and is an instrument that must be given due regard in instances where a development decision is appealed to the State Administrative Tribunal, but a Policy also has an improved, more responsive ability to be modified by Council where it considers that a Policy is no longer in-line with its planning, or Council considers that an individual application should be supported based upon its displayed merits.

For the most part Local Planning Policies are formulated and aligned with a strategic planning direction as set by Council. The establishment of Local Planning Policies aid in guiding the type and standard of development the Council views as appropriate within particular areas of the Shire and provide a consistent approach to approving land use and development.

In most circumstances the Council will adhere to the standards prescribed in a Local Planning Policy, however, the Council is not bound by the policy provisions and has the right to vary the standards and approve development where it is satisfied that sufficient justification warrants a concession and the variation granted will not set an undesirable precedent for future development.

A Local Planning Policy is not part of the Scheme and does not bind the local government in respect of any application for planning approval but the local government is to have due regard to the provisions of the Policy and the objectives which the Policy is designed to achieve before making its determination.

FINANCIAL IMPLICATIONS

Nil.

STRATEGIC IMPLICATIONS

The Three Springs Townsite Strategy (2014) notes the following in relation to the issue of outbuildings:

“In keeping with the rural nature of the community many homes have larger sheds and outbuildings, rainwater tanks and other modern improvements.” (page 21)

The Strategy also recommends for both the residential and rural-residential precincts that:

“Roof materials for residential areas should include corrugated galvanised iron, zincalume coated steel and other material that are in keeping with the surrounding pattern of residential development.

Ancillary buildings or outbuildings should generally be located to the rear of allotments.” (pages 43 & 46)

The draft Outbuildings policy is intended to balance the expectations of the community on what is an appropriate standard of amenity, and the requirements for general domestic storage which in a regional and rural-residential setting. This can often include larger items that the landowner seeks to have stored securely, and out of the elements, and it may also be preferable from an amenity viewpoint to have them stored within a shed rather than scattered about the yard.

It is always good practice for Council to review its policies be they procedural, financial or planning on a regular basis to ensure they are current, address changing circumstances, current and evolving development trends, community demands and meet Council's expectations.

VOTING REQUIREMENTS

Simple Majority

OFFICERS RECOMMENDATION – ITEM 9.1.3

That Council resolve, pursuant to Schedule 2 Part 2 Division 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*, to prepare the Shire of Three Springs 'Outbuildings' Local Planning Policy as contained in Attachment 9.1.3 and proceed to give notice to this effect and at the conclusion of the advertising period return this matter to Council for its further consideration.

OUTBUILDINGS

LOCAL PLANNING POLICY

PURPOSE

Local Planning Policies assist the local government in making decisions under the Scheme.

It is not intended that a policy be applied rigidly, but each planning application be examined on its merits, with the objectives and intent of the policy the key for assessment. However, it should not be assumed that the local government, in exercising its planning discretion, will be limited to the policy provisions and that mere compliance will result in an approval.

The Shire encourages applicants to produce innovative ways of achieving the stated objectives and acknowledges that these may sit outside the more traditional planning and architectural approaches. In these instances, the local government is open to considering (and encourages) well-presented cases, during pre-application consultation, having due regard to the outcome of any public consultation undertaken and the orderly and proper planning of the locality.

SCOPE

A Local Planning Policy is not part of the Scheme and does not bind the local government in respect of any application for planning approval but the local government is to have due regard to the provisions of the Policy and the objectives which the Policy is designed to achieve before making its determination. The Scheme prevails should there be any conflict between this Policy and the Scheme.

OBJECTIVES

1. To provide development standards for outbuildings specific to the Shire of Three Springs, as appropriate.
2. To provide a clear definition of what constitutes an "outbuilding".
3. To ensure that outbuildings are not used for habitation, commercial or industrial purposes by controlling building size and location.
4. To limit the visual impact of outbuildings.
5. To encourage the use of outbuilding materials and colours that complement the landscape and amenity of the surrounding areas.
6. To ensure that the outbuilding remains an ancillary use to the main dwelling or the principle land use on the property.

DEFINITIONS

'Outbuilding' means an enclosed non-habitable structure that is detached from any dwelling. For the purpose of this policy an open sided, roofed patio completely detached from the dwelling is also considered an outbuilding. For the purpose of this policy a non-enclosed addition to an existing outbuilding (e.g. veranda, patio, lean-to or carport etc.) shall constitute an extension to that outbuilding.

'Front Building Line' means the closest point of a house to the front boundary, drawn parallel to that boundary. In the case of a corner lot, the front building line applies to both streets.

POLICY PROVISIONS

General

1. Pre-fabricated garden sheds, "cubby houses", kennels and other animal enclosures (such as aviaries, stables) less than 9m² in total aggregate area and less than 2.5m in height (measured from natural ground level) are exempt from this policy provided they are located to the rear of the house, and of a design and colour considered in keeping with the amenity of the area by the local government.
2. Other than for general storage and/or agricultural purposes an outbuilding shall not be used for any commercial or industrial use without prior approval from Council.
3. The storage of accumulated personal items and any items in connection with a commercial or industrial operation (e.g. building materials, earthmoving equipment etc.) is considered contrary to the objectives of this policy and is therefore not considered sufficient justification for an increase in the maximum standards prescribed.

Height, Size and Setbacks

Outbuildings within the Residential zone shall;

- (a) be single storey;
- (b) be located behind any dwelling on site;
- (c) meet all setback requirements set out in the Local Planning Scheme and this policy;
- (d) not be approved by the local government on a lot not containing a dwelling;

The following maximum standards apply to outbuildings:

Table 1 - Site Layout Requirements

Zone	Maximum area	Maximum wall height*	Maximum roof height*
Rural	Exempt from the area and height requirements of this policy		
Rural Residential	240m ²	4.5m	5.5m
Residential & Rural Townsite	80m ²	4m	5m

(* Heights to be measured at natural ground level)

Consultation

Applications that propose variation to any part of the Policy may require consultation with effected owners and/or occupiers, by means of the Shire writing directly to the surrounding landowners inviting comment, and placement of an advisory sign on-site for a period of not less than 14 days, prior to the application and any received submissions being placed before a meeting of Council for consideration.

Notes: The advertising of a received application that proposes variation to any part of the Policy is undertaken to make the proposal available for inspection in order to provide opportunity for public comment and it should not be construed that final approval will be granted.

The local government in determining the application will take into account the submissions received but is not obliged to support those views.

SUMMARY

For Council to endorse the Shire of Three Springs Disability Access and Inclusion Plan Progress Report for 2019.

ATTACHMENT

9.2.5a Disability Access and Inclusion Plan submitted Report 2018-19
9.2.5b Circular DAIP Progress reporting 2018-19 as separate Document

BACKGROUND

The Disability Services Act 1993 requires the preparation of a Disability Access and Inclusion Plan, to be reported on annually and reviewed every five years.

COMMENT

Although the 2018-2022 was adopted by Council in February 2018, Council is required to submit a progress report on annual overview of the Plan. The 2018-2022 addressed the issues raised in previous as per the following:-

- Events sanctioned by Council - disability principles apply.
- Disability issues incorporated into all Integrated Planning documents where applicable.
- Population data updated.
- New buildings/developments include disability access - eg Pool upgrade, Pavillion upgrade, Transit Park, Doctor and Dental surgeries.
- Proposed office upgrade to include disability access and inclusion considerations.

The Disability Access and Inclusion Plan is available as a public document on Council's website.

Reference to the Disability Access and Inclusion Plan is to be referenced in Shire of Three Springs 2018/2019 Annual Report as required

CONSULTATION

Chief Executive Officer, Community development Officer

STATUTORY ENVIRONMENT

Disability Services Act 1993.

29. Report about disability access and inclusion plan

- (1) A public authority that has a disability access and inclusion plan must, if required to report under Part 5 of the *Financial Management Act 2006*, include in such report, a report about the implementation of the plan.
- (2) A local government or regional local government that has a disability access and inclusion plan must include in its annual report prepared under section 5.53 of the *Local Government Act 1995* a report about the implementation of the plan.

POLICY IMPLICATIONS

Access and Inclusion Policy Statement

The Shire of Three Springs is committed to ensuring that the community is accessible for and inclusive of people with disability, their families and carers.

The Shire of Three Springs interprets an accessible and inclusive community as one in which all Council functions, facilities and services (both in-house and contracted) are open, available and accessible to people with disability, providing them with the same opportunities, rights and responsibilities as other people in the community.

FINANCIAL IMPLICATION

Nil.

STRATEGIC IMPLICATIONS

The DAIP strategies are included where relevant in Council's Forward Planning documents.

VOTING REQUIREMENT

Simple Majority.

OFFICER RECOMMENDATION – Item No. 9.2.1

That Council endorse the Shire of Three Springs Disability Access and Inclusion Plan (DAIP) 2019 report to be submitted to the Disability Services Commission by 1st July 2019.

Page 4: About your Disability Access Inclusion Plan

Q6 Which part of your organisation leads the implementation of your DAIP? (Pick the category which best describes)

Office of Director General/Chief Executive Officer

Q7 Please describe how this aligns best for your organisation's structure and objectives.

As a small local government, the CEO has final approval on all corporate planning, including DAIP.

Disability Access and Inclusion Plan (DAIP) Progress Reporting 2018-2019

Q8 In 2018-19, which of the following mechanisms helped your organisation identify and implement DAIP activities? (Please choose single or multiple options)

An implementation plan,
An internal working group or committee
Community feedback and/or co-design mechanisms

Q9 In 2018-19, which strategy or strategies were adopted within your organisation to raise awareness of your DAIP and/or general access and inclusion? (Please choose single or multiple options)

All new staff receive a copy of the DAIP
DAIP is referenced in internal policies and procedures
DAIP planning is integrated into other organisational commitments

Page 5: Challenges in implementing your DAIP

Q10 In 2018-2019, did your organisation plan activities in your DAIP which were not implemented? No

Q11 If Yes, what were the main reason(s)? (Please choose single or multiple options)

Respondent skipped this question

Q12 The State Disability Plan will be the 10-year vision driven by the aspirations of people with disability. It will build and expand upon current initiatives to ensure people with disability are empowered to participate in full civic life in their local communities. From your organisation's experiences in implementing your DAIP, please advise of any actions, ideas or key priority areas that you want to see included in the State Disability Plan. You may also have insights into creating positive change around that action/idea and the players (organisations, departments etc) that might be involved to create that change.

Accessibility to funding for small rural local governments; projects that may benefit only one person are often not implemented due to funding availability

Disability Access and Inclusion Plan (DAIP) Progress Reporting 2018-2019

Q69 Which of the following methods are used by your organisation to support your DAIP? (Please choose single or multiple options)

Inform agents and contractors about the DAIP through contracts or agreements

,

Require an annual report on DAIP related activities

Provide training or resources

Q70 Please provide a description of any significant DAIP activities driven or led by your organisation's agents and contractors in 2018–2019.

Drafting of plans for Early Childhood Learning Centre undertaken in conjunction with Three Springs Childcare Inc to ensure rules and regulations for day care centres were adhered to.

Q71 How many of your agents or contractors were considered to have a role in your DAIP? (please choose one)

1-20

Page 14: Feedback about our access and inclusion services

Q72 In 2018-2019, did your organisation use any of the access and inclusion resources on www.disability.wa.gov.au?

Yes

Q73 Were you satisfied with the resources?

Satisfied

Q74 In 2018-2019, has your organisation contacted the access and inclusion team?

Yes

Q75 Were you satisfied with the service provided?

Satisfied

Q76 Do the changes to the DAIP reporting questions for 2018-2019 better suit your organisations approaches to managing access and inclusion?

Yes

Page 15: Ready to lodge your report

Q77 My DAIP progress report is complete and I wish to lodge it with the Department of Communities

Yes

From: Richard Struik [<mailto:Richard.Struik@communities.wa.gov.au>]
Sent: Wednesday, 10 April 2019 12:39 PM
Cc: Access Improvement <Access@communities.wa.gov.au>
Subject: IBA198714 - DAIP Progress Reporting 2018/19

Good afternoon

We are sending you this email because you are listed as your organisation's contact for its Disability Access and Inclusion Plan (DAIP).

The DAIP Progress Reporting period for 2018-19 is now open.

DAIP Progress Reports provide an annual overview reflecting the work of public authorities to support and empower people with disability across the State. They are a mandatory requirement of all public authorities under the *Disability Services Act 1993*.

Information from the reports is tabled in Parliament by the Minister for Disability Services. The Minister's DAIP Progress Report was reinvigorated last year and may prove a useful resource for your organisation. The DAIP Progress Report for 2017-2021 is available at <http://www.disability.wa.gov.au/business-and-government1/business-and-government/disability-access-and-inclusion-plans/>

Please note:

- There are some changes to the Progress Reporting template this year following consultation with a range of public authorities. These are designed to strengthen the analysis of results and the focus on the outcomes of your activities, as well as make reporting more efficient for you.
- As in previous years, you can submit your report via SurveyMonkey or the Word template. A SurveyMonkey link will be sent out in the coming days. If you have not received it by Friday 12 April, please check your spam folder or contact us.
- The Word version is attached. It, along with help guides and resources, is available at <http://www.disability.wa.gov.au/business-and-government1/business-and-government/disability-access-and-inclusion-plans/daip-progress-reporting/>
- Training sessions on DAIP Progress Reporting are available:
 - Tuesday 7 May 10am-12pm
 - Tuesday 21 May 10am-12pm
 - Tuesday 4 June 10am-12pmThese will be held at 146-160 Colin St West Perth. RSVP's to access@dsc.wa.gov.au For regional public authorities, or if you can't make these sessions, please contact us for alternative arrangements.
- A letter from the Assistant Director General of the Department of Communities, Disability Services has been sent to your CEO as formal notification of the DAIP Progress Reporting Period.

2018-19 DAIP progress reports is due to the Department of Communities by Monday 1 July 2019.

Please do contact us if you have any questions.

Our contacts are:

9.2.2 Off Road Racing Event - Approval 27th to 30th September 2019

Agenda Reference: CEO 07/19-05
Location/Address: Shire of Three Springs Recreation Ground and Various Private Properties
Name of Applicant: WA Off Road Racing
File Reference: ADM0209
Disclosure of Interest:
Date: 11th July 2019
Author: Sylvia Yandle CEO

Signature of Author: _____

SUMMARY

For Council to grant approval for the holding of the Off Road Racing Event in Three Springs between Friday 27th September and Monday 30th September 2019.

ATTACHMENTS

9.2.2a Event Notification
9.2.2b Events Traffic Management Plan as Separate Document

BACKGROUND

This year will be the seventh year the event has been held in Three Springs over the September long weekend and process is in place for another successful event. There are some necessary approvals that Council need to make prior to the event proceeding.

The requirements of the Confederation of Australian Motor Sports (CAMS) Ltd processes have been completed by WA Off Road Racing Association. CAMS have issued a permit number for the event and the Risk Management and Occupational Health and Safety Policies are in accordance with the CAMS requirements.

COMMENT

The event will take place predominantly on private property however there are some instances where Council roads and facilities will be used. There is a request for various in kind works from Council such as assisting with Road Closure signage, general cleaning and provision of bins as well as liaison with community groups as required.

The issue of camping has already been addressed and steps will be in order to place an honour box at the Pavilion for collection of "camping" fees from the Off Road Racing entrants and their entourage.

Catering arrangements and Liquor License process for the event will be finalised with individuals and organisations prior to the event and where necessary organisations will make their own applications for any licenses required.

CONSULTATION

Chief Executive Officer, Manager of Work, Community Development Officer, Various Community Groups and Service Providers and Off Road Racing Association.

STATUTORY ENVIRONMENT

The traffic management plan has been developed and commissioned to be implemented with due consideration and in accordance with the following legislative, environment and industry standards:

AS 1742 – Manual of uniform traffic control devices

Part 1 – General introduction and index of signs

Part 2 – Traffic control for general use

Part 3 – Traffic control for works on roads

Part 4 – Speed controls

☐ AS/NZS ISO 31000– Risk Management – Principles and Guidelines

☐ AS/NZS 4602– High visibility safety garments

☐ Disability Services Act

☐ Local Government Act

☐ Main Roads Act

☐ MRWA Specification 202

☐ Occupational Safety & Health Act

☐ Occupational Safety & Health Regulations

☐ Public Meetings and Processions Regulations

☐ Public Order in Streets Act

☐ Road Traffic Act

☐ Road Traffic Code

☐ Road Traffic (Events on Roads) Regulations

☐ Traffic Controllers' Handbook

☐ Traffic Management for Events Code of Practice

☐ Traffic Management Plan Preparation Guideline

POLICY IMPLICATIONS

As per specific requirements for the hire of Council facilities.

FINANCIAL IMPLICATIONS

The in kind expenditure that occurred in previous years has not been significant and consisted of moderate cleaning costs, assistance with road closures, some additional utility charges and works that Council did to assist with the track itself. While difficult to put an exact figure on expenses, an estimate would be between \$1,000 and \$2,000.

The income of \$605 from camping fees in 2018 along with hire fee of \$350 from Western Desert Racers offsets some of the costs to Council.

STRATEGIC IMPLICATIONS

Strategic Community Plan

3.1.8 Actively facilitate, support and participate in community events.

VOTING REQUIREMENTS

Simple Majority.

OFFICER RECOMMENDATION – ITEM 9.2.2

That Council grant approval to the WA Off Road Racing Association to conduct the WAORRA 360 Off Road race in Three Springs 27th and 30th September 2019 as per the following conditions and arrangements –

- 1. Council to provide reasonable in kind support as requested by WA OFF Road Racing Association. (Does not include waiver of \$350 commercial hire fee for the Sports Pavilion).**
- 2. That any damage of a significant nature to any Council road (does not include minor grading of roads after the event) or facility used as part of the event is to be made good by the event organisers not at Council's expense.**
- 3. That the event be conducted in accordance with Traffic Management Plan 15 dated 9th July 2019, developed for the event including applicable road closures as presented.**
- 4. Accept the Risk Register as presented in accordance for a CAMS sanctioned event.**

NOTIFICATION OF EVENT							
Notifications are to be distributed at least one (1) week in advance of works Where Police attendance is required at least three (3) week's notice shall be given (except in an emergency)

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 06 June 2019
Prepared by:
Reviewed by:

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996 , Regulation 34* . Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities and to the extent they are not in-consistent with the *Local Government Act 1995* and accompanying regulations), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations. Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated. All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 13.

SIGNIFICANT ACCOUNTING POLICES

GOODS AND SERVICES TAX

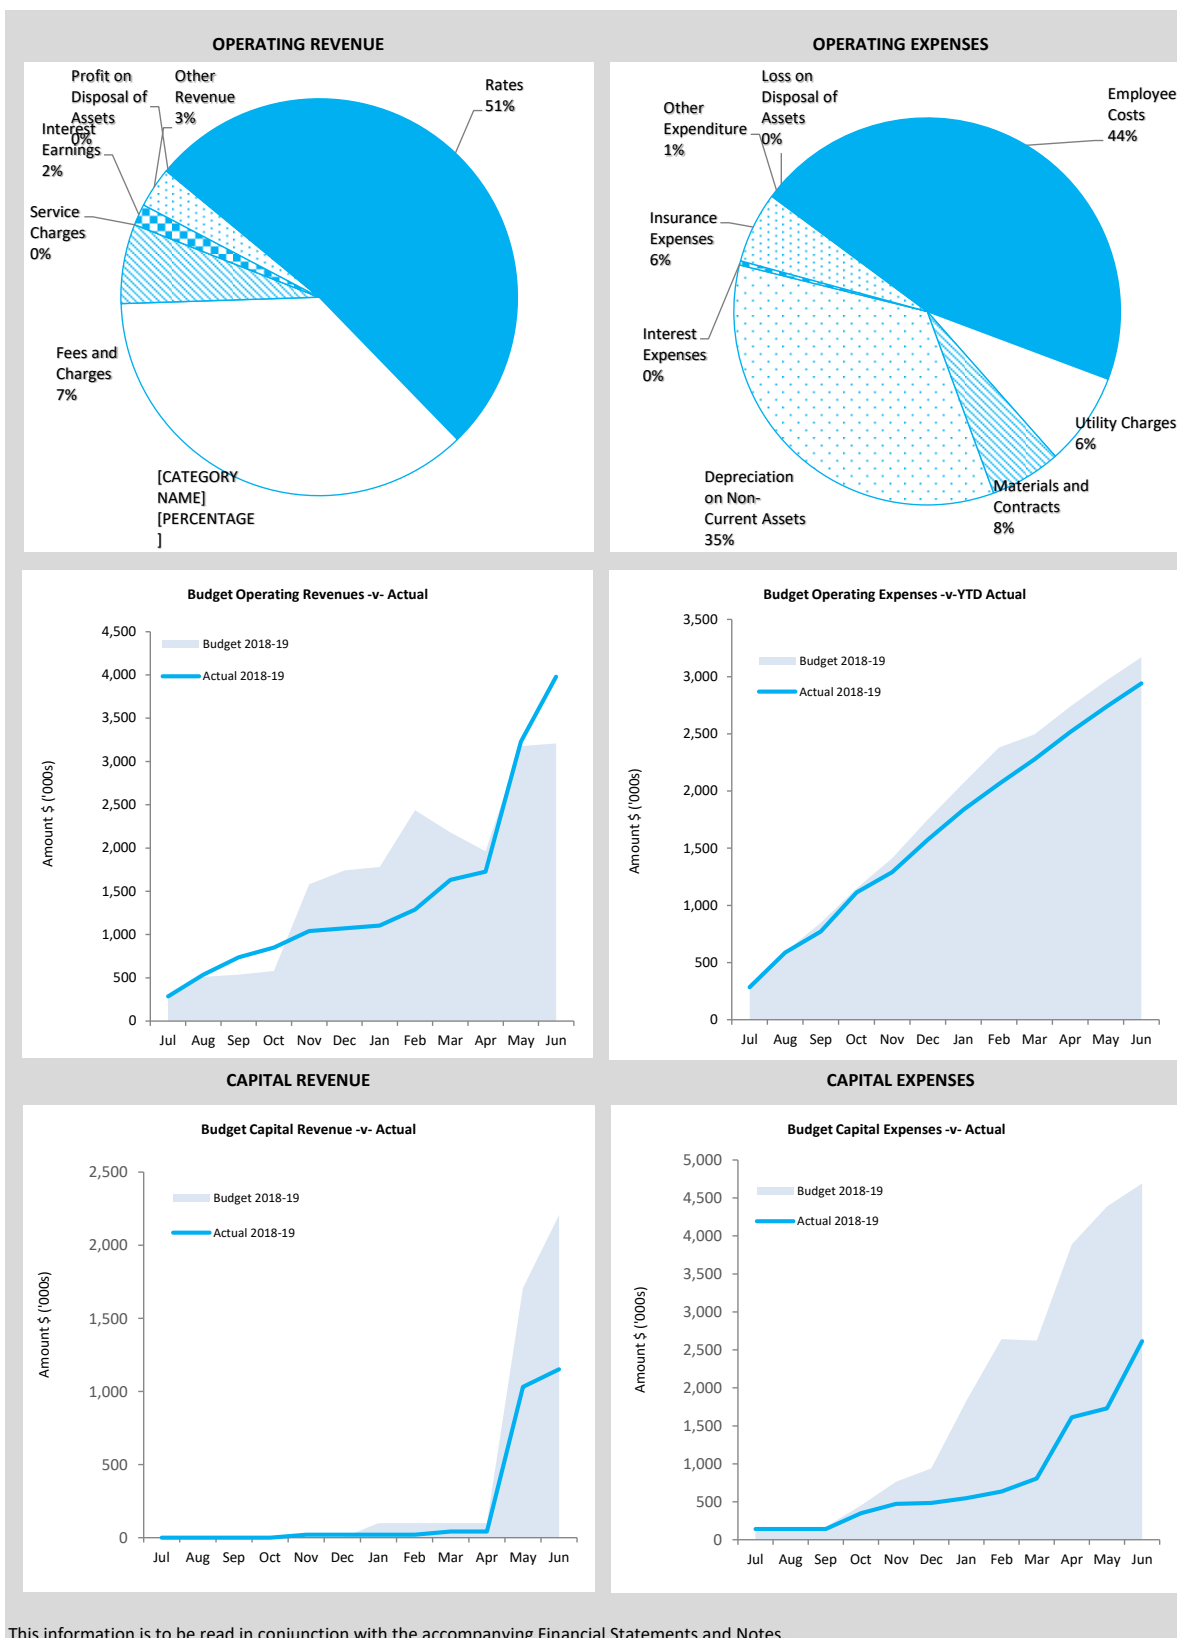

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

KEY TERMS AND DESCRIPTIONS
FOR THE PERIOD ENDED 30 JUNE 2019

STATUTORY REPORTING PROGRAMS

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

GOVERNANCE	ACTIVITIES
To provide a decision making process for the efficient allocation of scarce resources.	Administration and operation of facilities and services to members of council: Other costs that relate to the tasks of assisting elected members and ratepayers on matters which do not concern specific council services.
GENERAL PURPOSE FUNDING	
To collect revenue to fund provision of services.	Rates, general purpose government grants and interest revenue.
LAW, ORDER, PUBLIC SAFETY	
To ensure a safer community in which to live.	Supervision of various local laws, fire prevention, emergency services and animal control.
HEALTH	
To provide an operational framework for good community health.	Food quality and pest control, maintenance of child health centre, medical centre, dental clinic and administration of group health scheme.
EDUCATION AND WELFARE	
To support the needs of the community in education and welfare.	Assistance to Day Care Centre, Playgroup, Youth activities and other voluntary services.
HOUSING	
Provide adequate housing to attract and retain staff and non-staff.	Maintenance of council owned staff and non-staff housing.
COMMUNITY AMENITIES	
Provide services as required by the community.	Rubbish collection services, tip operation, noise control, town planning administration, cemetery maintenance, rest centres, stormwater drainage and FM radio retransmitter.
RECREATION AND CULTURE	
To establish and efficiently manage infrastructure and resources that help the social wellbeing of the community.	Maintenance of swimming pool, recreation centre, library, parks, gardens and reserves.
TRANSPORT	
To provide effective and efficient transport services to the community.	Construction and maintenance of streets, roads, bridges, cleaning and lighting of streets, traffic lights, cycleways, depot maintenance and airstrip maintenance.
ECONOMIC SERVICES	
To help promote the shire and improve its economic wellbeing.	The regulation and provision of tourism, area promotion, building control, noxious weeds, vermin control, plant nursery and standpipes.
OTHER PROPERTY AND SERVICES	
To monitor and control overheads and operating accounts.	Private works operations, plant repairs and operations and engineering costs.

Closing Funding Surplus / (Deficit)	1(c)	682,268	(183,582)	1,893,291			

KEY INFORMATION

▲ ▼ Indicates a variance between Year to Date (YTD) Actual and YTD Actual data as per the adopted materiality threshold. Refer to threshold. Refer to Note 15 for an explanation of the reasons for the variance.

The material variance adopted by Council for the 2018-19 year is \$5,000 or 10.00% whichever is the greater.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

**KEY TERMS AND DESCRIPTIONS
FOR THE PERIOD ENDED 30 JUNE 2019**

REVENUE

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specific area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears and service charges.

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under *Division 6 of Part 6 of the Local Government Act 1995*. *Regulation 54 of the Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services. Exclude rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

NATURE OR TYPE DESCRIPTIONS

EXPENSES

EMPLOYEE COSTS

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY

Financial assets at amortised cost		0	0	0	0			
		2,261,408	1,975,535	0	4,236,943			

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

Total Cash	Unrestricted
\$4.24 M	\$2.26 M

Amounts shown above include GST (where applicable)						

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

KEY INFORMATION

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Inventory

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

Total General Rates							2,038,819				2,042,588

KEY INFORMATION

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

The Shire has no unspent debenture funds as at 30th June 2018, nor is it expected to have unspent funds as at 30th June 2019.

Overdraft

Council do not anticipate having an overdraft facility during 2018/19.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

KEY INFORMATION

PROVISIONS

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

9.3.2. ACCOUNTS FOR PAYMENT – 30 JUNE 2019

Agenda Reference: CEO
Location/Address: Shire of Three Springs
Name of Applicant: Shire of Three Springs
File Reference: ADM0083
Disclosure of Interest:
Date: 11th July, 2019
Author: Donna Newton

Signature of Author: _____

SUMMARY

Council to confirm the payment of creditors in accordance with Local Government (Financial Management) Regulations 1996 section 13 (1).

ATTACHMENT

Lists of creditors paid as at 30th June, 2019 is attached.

BACKGROUND

Financial regulations require a schedule of payments made through the Council's bank accounts be presented to Council for their inspection. The list includes details for each account paid incorporating payee's name, amount of the payment, date of payment and sufficient information to identify the transaction.

CONSULTATION

No consultation required.

STATUTORY ENVIRONMENT

Local Government Act 1995 Section 6.4.
Local Government (Financial Management) Regulations 1996 Section 12 and 13.

POLICY IMPLICATIONS

Payments have been made under delegation.

FINANCIAL IMPLICATIONS

Funds available to meet expenditure.

STRATEGIC IMPLICATIONS

Nil.

OFFICER COMMENT

Invoices supporting all payments are available for inspection. All invoices and vouchers presented to Council have been certified as to the receipt of goods and the rendition of services and as to prices, computations and costing and that the amounts shown were due for payment.

VOTING REQUIREMENTS

Simple Majority

OFFICER RECOMMENDATION – ITEM 9.3.2

That Council notes the accounts for payment as presented for June, 2019 from the –

Municipal Fund totalling \$582,963.25 represented by Electronic Fund Transfers No's 15250 – 15353, Cheque No's 11546 – 1552 and Direct Debits 11913.1, 11914.1, 11925.1 – 11925.5, 11938.1 – 11938.5, 11941.1 & 11944.1.

Licensing Fund totalling \$12,698.10 represented by Direct Debit No 111947.1.

Date: 01/07/2019
Time: 2:02:35PM
