Living by the law: what you need to know before share housing

Splitting a rental with mates or even people you find through an advert can be a smart way to tackle soaring rent prices and low vacancy rates. But before you start dividing up chores and discussing furniture options, it's important to understand your legal rights and responsibilities when it comes to share house arrangements.

In co-tenancies, there is a shared tenancy agreement, but all tenants are jointly responsible for the full rent amount, bond and condition of the entire property. This means if your house mate misses a rent payment, for example, the whole household could be at risk of breaching the tenancy agreement unless they can cover the outstanding amount.

When it comes to paying the bond, each contributor must be listed against the bond as a tenant. The private landlord or agent then has 14 days to lodge the bond with the Bond Administrator. Consumer Protection has recently had two real estate agencies and directors fined and reprimanded for failing to lodge tenancy bonds within the required timeframe. Renters deserve peace of mind knowing their bonds are being handled by landlords and agents in accordance with the law.

It is important tenants receive an immediate receipt of their payment. The Bond Administrator will also send the tenants and the private landlord/agent a record of the payment directly from the department. This also ensures each tenant is returned their correct share of the bond when the tenancy ends.

If you move out of a share house, negotiate to have your name removed from the tenancy agreement. If you fail to do this, you can still be held responsible for the rent and other obligations. Also ensure you are provided with an outgoing property condition report. If anything needs to be addressed the cost will be recovered from your share of the bond.

Similarly, if you move into a share house ask for the tenancy agreement to be varied to list you as a co-tenant and add your name to the bond. The landlord/agent should provide an up-to-date property condition report. As the new co-tenant, you cannot be held responsible for the condition of the property before you moved in.

We advise only entering into shared tenancy agreements with people you trust and communicate well with. We know this can be difficult to gauge when replying to an ad looking for a house mate, so we recommend putting everything of importance in writing to protect yourself. This may include agreements about how and when rent and bills are paid, responsibility for everyday cleaning and maintenance of the property, ownership of any shared belongings and use of common areas.

If one tenant has paid another tenant's share of rent or other money owed to the landlord, the tenant can apply to the court for an order they be repaid by the other tenant. If you need assistance with money owed by a co-tenant or other similar dispute, reach out to your local community legal centre for more advice.

When everyone decides to move out of a share house the tenancy ends in the typical way.

If you do not receive a record of bond payment from the Bonds Administrator in the first few weeks of moving in, please contact us on 1300 30 40 54 or consumer@dmirs.wa.gov.au so we can follow up.

Our 3G closure in 2024

Just in case you're not already aware: we will be closing our 3G network on 30th June 2024.

When 3G launched in 2003, we used our mobile devices for calls, texting and accessing very basic information online.

When we say basic, we mean clicking your phone's buttons through a text-only menu, choosing 'footy scores' then waiting 30 seconds for a list of numbers to show up. It was a simpler time!

Today - 20 years later - we use our mobile devices for many data-heavy tasks, and data is central to our experience on them. Demand for mobile data is growing by around 30 per cent every year.

As our technology and our use cases change, we need a network that's fit for today and for the future. That's why we continue to upgrade the technology that underpins our mobile network from 3G to 4G, and now 5G, and in future we will do so again for 6G.

Once we've closed the 3G network, we'll repurpose the radio spectrum that it used to expand the capacity and reach of our 5G network.

We started talking to our customers about saying goodbye to 3G back in October 2019 to make sure they had enough time to understand what changes they need to make.

FESTIVALS AUSTRALIA ARTS GRANT OPPORTUNITY

19 February 2024

Federal Member for Durack, The Hon. Melissa Price, encourages community organisations across the Durack electorate to apply for the Festivals Australia Grants Opportunity.

"Grants ranging from \$5,000 to \$150,000 are available each year through the Festivals Australia program and I encourage our outstanding local artists and arts organisations to apply," Ms Price said.

"Art is essential to any culture, creating a sense of identity and pride. These projects play an important role in helping to sustain and strengthen our communities." Melissa Price said.

Festivals Australia provides funding to support individual art projects at festivals or significant one-off community events, such as a town celebration or opening of a new community resource. Festivals Australia will:

- Provide access to a diverse range of high quality, innovative arts projects that grow audiences at festivals across regional Australia
- Support partnerships and collaboration across the arts sector
- Encourage community participation in arts projects at regional and remote festivals.

This grant opportunity is run by the Department of Infrastructure, Transport, Regional Development, Communications, and the Arts.

Applications for the current funding round close **Monday 18 March 2024**.

For more information, visit [Festivals Australia Arts Grant Opportunity](#)

Ends.

Three Springs Primary School

Dear Parents, Carers and Community Members,
It has been a fortnight of extreme hot weather. I cannot ever remember February being so hot. I would like to thank and acknowledge the generosity of the Shire in allowing us to house the bus at school and use it to take the children and staff to and from the pool for swimming lessons each day, over the past fortnight. It certainly has made a huge difference!

THANK YOU!

LEADERS ASSEMBLY

Our first assembly for the year will be held on Wednesday 28 February at 2.30pm. This assembly will be hosted by our 2024 School Leaders. At the conclusion of the assembly, the Time Capsule will be put back in the ground.

PARENT INFORMATION MEETINGS

Parent Information Meetings will be held following the assembly beginning with the K/P/1 classroom, followed by Yr 1/2/3 classroom and then the Yr 4/5/6 classroom. Each meeting will take 20 minutes with a 5-minute break before the next meeting begins.

If you are unable to be at the meetings, please let the classroom teacher know and a booklet will be sent home to you.

SCHOOL PLUS MEETING WITH COACH

On Monday 19 February, the Schools Plus team consisting of Mrs Janine Haeusler, Ms Kirsten Smith, Miss Deb Mallard, Mrs Jenny West and myself, met with our Schools Plus coach Mr Rod Baker, to step through our Planning Tool which outlines our funding grant this year. Mr Baker will work with us as our coach during the life of our project. It is a very exciting journey and Mr Baker informed us that it is a competitive process and not many schools in WA are successful at securing a grant. We are absolutely thrilled to have won this three year project securing \$90,000 to improve oral language skills, implement synthetic phonics approaches in daily literacy sessions, and receive training in Bond Blocks numeracy intervention program, for at-risk students with basic number in addition and subtraction. I will keep you informed as we go along.

First stop, oral language skills.

On Thursday 15 and Friday 16 February, speeches and voting were held for the positions of Student Councillor and House Captain's for 2024.

It gives me great pleasure to announce that our Student Councillors for 2024 are Reason Haimona and Declan McGree. Our Gold House Captain is Jose Yaquet and our Green House Captain is Tyler Clayton [beginning Term 2]. Congratulations to Reason, Declan, Jose and Tyler. I look forward to working with you at the Swimming Carnival on Friday 8 March and at all events throughout the year.

What's Up in the Night Sky?

With Carol Redford and Donna Vanzetti

The 'Morning Star' Meets Saturn!

Early morning risers in March will be treated to an impressive display as the planets come together for a cosmic dance! On the 9th March, a beautiful view of the Moon, appearing as a thin slither, and Venus, are just a few degrees apart on the eastern horizon. Joining them is Mars, appearing as a red star-like object above the pair. You'll have to be up early in the morning to catch it though!

Keep watching...on following mornings, you'll see Venus appear to move further away from Mars and head towards Saturn. By the 22nd, Venus and Saturn will be just a half a degree apart!

When and where to look: 5am, from 9th March and very low to the eastern horizon.

Use the image to the right as your early morning guide.

To find out more about what to see in the night sky, buy yourself the Astronomy Australia almanac at www.quasarastronomy.com.au.

Why Does the Date for Easter Change Every Year?

Did you know the equinox is central to the changing date of Easter each year? The date of Easter changes because it is based on the lunar calendar. Easter falls on the first Sunday following the first full moon after the March equinox. This year the March equinox falls on 20th March. The first full moon after the March Equinox is on 25th March which means Easter Sunday is on 31st March.
