What's Up in the Night Sky?

With Carol Redford and Donna Vanzetti

Appreciating the Darkness

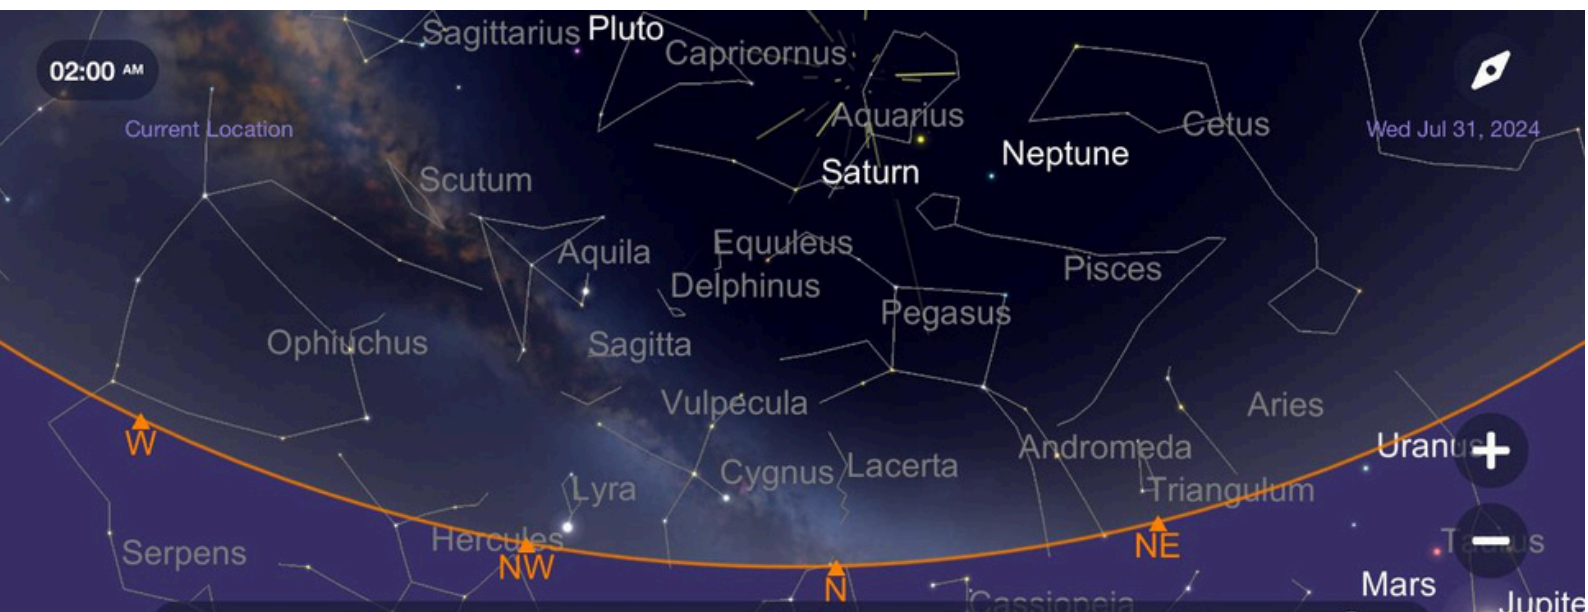

We are so fortunate in our region. With low levels of light pollution, we have one of the best dark night skies in the world. Around the world, 2-3 billion people can no longer see the Milky Way and yet here, we can see it every night in all its glory.

The dark night sky is the only place where you can see this month's Southern Delta-Aquarids Meteor Shower. Towards the end of July, stargazers will be treated to a special display. Meteor showers occur as planet Earth crosses the orbital path of a comet. As a comet passes by the sun, the extreme temperatures heat up the nucleus causing debris particles to spread out creating a comet tail. When Earth passes through this cloud of debris, we see the fiery spectacle of a meteor shower as the debris burns up in our atmosphere.

The peak of the Southern Delta-Aquarids coincides with a new moon, meaning conditions are ideal to spot these 'shooting stars'. Meteors from the Delta-Aquarids are usually faint, so the best place for viewing will be in country WA. Hopefully there could be up to 25 per hour.

When and where to look: The Delta-Aquarids are active from 12th July to 23rd August. However, best viewing will be at the peak, around 2am on 31st July. Rug up warm, grab a hot chocolate and look high above the horizon in the north-eastern sky.

Enjoy a bumper month of cosmic views. For more "What's Up in the Night Sky?" stargazing tips, visit www.astrotourismwa.com.au.

2am, 31st July 2024. Look above Saturn in the north eastern sky to see the Southern Delta-Aquarids Meteor Shower. Astronomical image provided by SkySafari, a Simulation Curriculum Company, All rights reserved www.simulationcurriculum.com.

Volunteer visit from Teach Learn Grow's Rural Program

We were delighted to welcome the volunteers from Teach Learn Grow's Rural Program to the Shire of Three Springs. Hosted by the Three Springs Primary School for a week, the volunteer provided free one-on-one tutoring and mentoring to primary school students.

During their stay, the volunteers visited the Shire office and attended the Ordinary Council Meeting on 26 June 2024. They met with our Chief Executive Officer and the Councillors, gaining insights into local government operations. The volunteer also had the opportunity to observe the council meeting and learn about how council meetings are conducted.

This visit was an educational experience for all involved, and we appreciate the opportunity to engage with the Teach Learn Grow volunteers.

We look forward to future interactions and continued support for initiatives that benefit our community.

Thank you, Teach Learn Grow, and Three Springs Primary School!

Youth Parliament: Local Teen Represents Moore Electorate

A talented student from the Mid West has been chosen to participate in the Y WA (formerly YMCA) Youth Parliament program.

Seventeen-year-old Peta Humphreys from Morawa District High School will represent the Moore electorate, joining 58 other young people from across Western Australia.

The Youth Parliament program will see participants engage in a simulated democratic process, receiving training to prepare for a mock Parliament session where they will draft, debate, and advocate on youth-focused issues. Peta is particularly eager to address key concerns affecting regional areas.

“It’s a huge honour and an incredible experience,” said Peta. “Being the voice for the Moore electorate and our region is something I’m very proud of.”

“I’m passionate about regional and State development, especially in education,” she said. “Growing up in a regional area, you see firsthand the challenges with limited resources, education, infrastructure, and opportunities. I want to shed light on these issues and provide a platform for other young people to advocate for the regional experience.”

The program will culminate in July with a live debate at Parliament House, where all Bills will be reviewed by both Government and Opposition members.

Dr Tim McDonald, chief executive of Y WA, highlighted the program’s impact. “This initiative genuinely represents the views and concerns of our State’s next generation of leaders. It offers young people a fantastic opportunity to develop skills, form lasting connections, and advocate for their communities,” he said.

Peta believes in the importance of youth having a voice. “We are the future, with unique perspectives and a wealth of ideas and opinions. Our contributions can help Australia continue to thrive.”

Peta Humphreys is committed to raising awareness of the disadvantages faced by regional youth and is dedicated to making a difference through her role in the Youth Parliament.

Three Springs Changemakers

The Three Springs Changemakers are a collection of individuals who wish to make a positive change to our community.

Five locals participated in the Community Builders program which involved a series of six workshops. These workshops were held throughout the North Midlands in 2023. We then followed this up with the Community Opportunity Workshop held at the Club in early March. Community members were invited to attend and discuss what they like about our town (and surrounds), what they would change and what we need to add or include. The results from this workshop will be distributed to those who attended or expressed an interest in attending.

Small projects which the Changemakers have already been involved with include the bring and share hutch at the Post Office where we are invited to share anything that we have too much of or just won't use, repainting the bench outside the Post Office and the lovely yarn hearts on the Post Office fence. A Meal 4 U is another new project as is this weekend's Buy Nothing Markets.

There is no committee, no meetings and no money. Just people who want to make positive change within our community. What can you do?

If you want to know more, feel free to contact Chris Lane, Jenny Mutter, Lexi Burgermeestre or Nadine Eva.

THANKYOU

It's a pleasure to be in a community that works well together as a whole team to create our enjoyable living space. Thankyou to all who volunteer their time and resources. Who contribute ideas and then bring them forward to create togetherness and unity. To charitable and free groups along with sporting clubs, to bring health and wholeness to community. It takes many parts to create a whole body of positive, caring and constructive people. Thankyou. Community members bringing forward issues to be sorted and corrected is helpful, many eyes make light work, so they don't become massive problems. To business who continue to work hard providing services to our peoples. You are appreciated.

If you would like to send in a thanks for a service or someone, please send an email with Subject...
