REGIONAL COLUMN

28 November 2024

With Senior Regional Officer for Midwest – Natasha Pirrottina

www.demirs.wa.gov.au www.wa.gov.au

More property owners now able to help West Aussies secure a rental

It's no secret there is a significant shortage of rental properties in Western Australia right now. But two incentive schemes to convert short-term rental accommodation and vacant properties into long-term rentals has seen hundreds of West Aussies find a home.

In the past 12 months more than 450 properties have been successfully converted into long-term rentals. That's hundreds of families, couples, retirees and regional workers who now have a secure lease on a home for at least 12 months.

The Short-Term Rental Accommodation (STRA) Incentive Scheme and Vacant Property Rental (VPR) Incentive Scheme has been extended by the State Government to bring even more properties over to the long-term rental market.

Both schemes offer cash incentives to owners to transition their properties onto the long-term rental market. Successful STRA owners can expect to receive a \$10,000 grant and those who own vacant property that qualify will receive \$5,000.

To ensure more owners can benefit from the two incentive schemes, eligibility requirements have been broadened. This means those who may have owned or purchased a property for short stay use after the scheme first launched can now apply. And the same goes for anyone whose property has become vacant since the VPR scheme first launched.

Sound like something you want to apply for? There are some things you need to know. You won't be eligible for the VPR scheme if you are not renting out the entire property. Whereas granny flats are still eligible for the STRA grant. Houses, apartments, villas and units are all potentially the perfect homes for both schemes.

In exchange for the grant, you are required to provide a minimum 12-month lease agreement to new, long-term tenants. Your new tenants cannot be family members, this includes step-family.

If you're applying for the STRA incentive, there are set limits on how much weekly rent you can charged based on the location of the property.

You'll also need an Australian bank account so Consumer Protection's Grants team can pay you.

You have until 30 June 2025 to be paid to for helping West Aussies find a long-term rental home.

Full eligibility criteria, terms and conditions are available online – head to wa.gov.au and search which scheme you are interested in.

If you have questions about the incentive schemes, you can contact Consumer Protection on 1300 30 40 54 or email cpgrants@demirs.wa.gov.au

Andromeda Galaxy | October – December

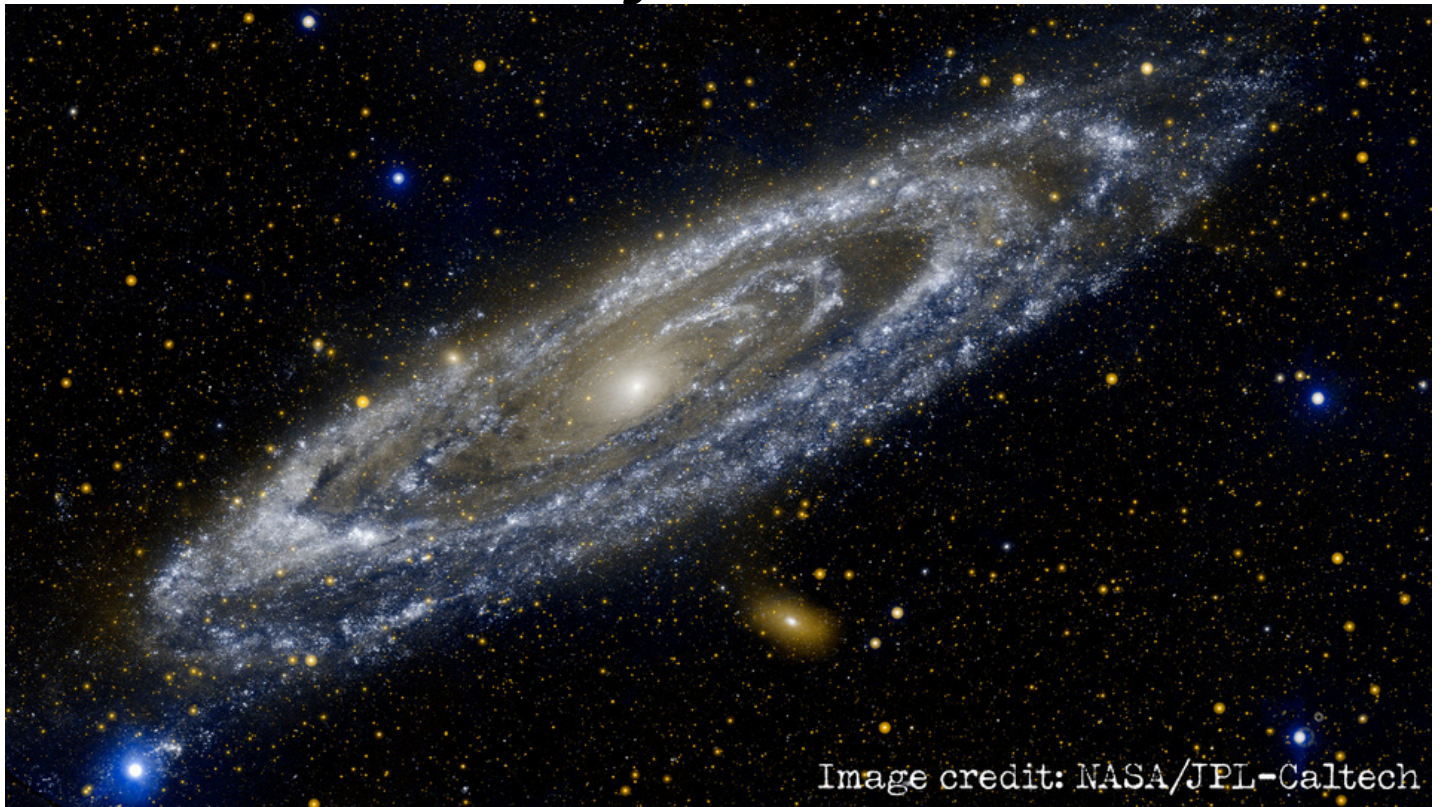

Image credit: NASA/JPL-Caltech

Andromeda is in our galactic neighbourhood of local galaxies. It's 2.5 million light years away and yet it's the most distant object visible to the human eye.

With the weather warming up, now is a great time to get out under a dark sky and explore your Universe. Through winter, the orientation of Earth allows us to look into the centre of our own galaxy, but in summer, we look away from the centre, allowing us to search for other galaxies.

The Milky Way is part of a group of galaxies that are all linked together by the pull of gravity, called the Local Group. There are about 54 galaxies in our Local Group. These are mostly dwarf galaxies clustered around the 3 largest of Milky Way, Andromeda, and Triangulum.

November is the best time to see Andromeda. It's always thought to have been larger than our Milky Way galaxy. However, research published by the University of Western Australia node of the International Centre for Radio Astronomy Research (ICRAR) estimates that Andromeda is the same size as the Milky Way or perhaps even slightly smaller. [Read the research for yourself here.](#)

You will need a very dark sky with no moonlight and a clear view to the northern horizon to see Andromeda. Using a star chart or a free online tool like [SkySafari AR](#) or [Stellarium](#) will help you find Andromeda.

First, using a star chart or app, search for and locate the star called Mirach low on the northern horizon. Use this star and the pattern of fainter stars that are below and to the left of Mirach to try and locate Andromeda with the naked-eye.

When and where to look:

From 11pm, between 25th September – 6th October

From 10pm, between 24th October – 4th November

From 9pm, between 23rd November – 4th December

Look low on the northern horizon. Unfortunately, because it lies so far north, Andromeda will never rise more than 16° above the horizon making it very difficult to see from Perth.

For Telescopes and Binoculars

Andromeda looks like a small, faint, misty oval shaped object in medium sized telescopes.

Remember

To see this deep space object with the unaided eye, practice using averted vision to tease out the faint light. If you focus on a nearby star, it should make it easier to spot Andromeda out of the corner of your eye.

That's What ALOSCA Technologies Offers
Order Now to Guarantee Supply and Beat the Price Rise

ALOSCA granules provide flexibility like no other inoculant.

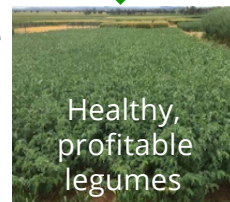

Unlike traditional inoculants which are limited in when they can be applied due to the mortality of the rhizobia, ALOSCA Granules can be sown into dry, unfavourable conditions and remain viable in the soil for months until being activated by the same seasonal rainfall that germinates the seed.

Contact your local distributor and order now to go into the draw to win 1 of 3 YETI Coolers

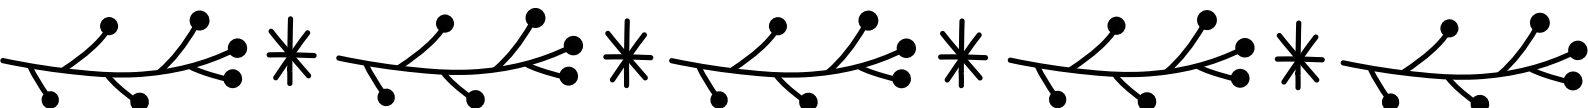

ALOSCA Granules at a glance:

- Can be dry sown
- Can be used with seed dressings that are typically harmful to other inoculants
- Simple to apply and can be blended with fertiliser, seed or applied by a third box
- Can be stored for extended periods
- No need for time consuming inoculant slurries to be applied during seeding
- May be applied in the season prior to growing legumes
- Australian owned and manufactured

For more information on how ALOSCA can benefit your operation, contact ALOSCA Technologies on (08) 6305 0123 or visit alosca.com.au
Order through your local distributor today and make sure to ask for ALOSCA granules.

I'M DREAMING OF A

Christmas Tree

Three Springs Community

Article December 2024

Another year has occurred and that cliché of 'where did that year go' is alive and well.

Rural Aid will be closing the office over the Christmas break from the 23/12/24 reopening on 6/1/25.

Thankyou to those I have had the privilege of meeting, working with and being trusted by over the last 12 months.

It is very apparent that each year sees the people in our great Rural regions becoming more aware and more proactive in ensuring we better recognise looking after our whole selves, including our mental health. I know we hear a lot about country people having a stigma about talking and seeking help for themselves when not travelling well mentally. But I personally dispute this perception as being a total truth. Yes, there are some who hold a personal negative beliefs about mental health issues, but the majority accept the importance of seeking help and talking issues through. This majority in our region is increasing. This trend is very positive and to those individuals and groups who go out of your way in your own time in, your community, to raise this awareness, my sincere thanks.

The year appears for most to be a good year farming wise. The harvest is going to be longer for a lot of people as the unseasonal rain slows the harvest down. This is causing some frustrations for some people especially those who are not comfortable with what they planned to happen not happening. As individuals we prefer to be in control, being in control enables us to better cope. But there are times when situations out of our control occur such as the rain putting programs behind. In these times it is important to remind yourself of what you can control and what you can't. Where the change of plans has occurred because of a factor outside of your control, such as the weather, you may feel more stressed and frustrated. These emotions are relevant because the rain is frustrating, but remember to pause, recognise you are feeling frustrated. Nothing will be changed or achieved by taking this frustration out on yourself or others unless you can somehow control the weather. What can you do? What is in my control? I can take a break. I can service the machinery, I can empty the chaser bins, I can move those stock.

Christmas day is a day for celebration with family and friends. Remember some are in our towns from overseas or interstate and some have no family. Some are going through a difficult challenging time personally, so reach out and check in.

In my travelling days Christmas was a day away from family but there was always someone in a similar situation who opened their home with what was called an 'orphans' party. Great fun day, sometimes a few, sometimes 20 or more got together, bought a plate and drinks and spent the day together. I still smile from the memory of these parties. If you haven't heard of someone doing this and your on your own then be that host.

Here's wishing everyone a very Merry Christmas, Happy New year and a safe well deserved holiday season. In 2025 let's keep doing what we Rural people do best, lets keep looking out for each other, being there for each other and keep the message that asking for help when your not feeling yourself is a strength, being that help is also a strength.

Thanks for a great 2024.

POLICE NOTES

Welcome to the latest edition of Police Notes.

Crime Stoppers WA - 1800 333 000 – www.crimestopperswa.com.au

Three Springs police would like to introduce our two newest members, Cheryl and Mark HOCKING. Cheryl is our new Customer Service Officer and will be at the station on most Monday, Wednesday and Friday's.

Mark and myself made the big move to Western Australia from Derbyshire UK/ along with our youngest daughter in 2009.

Mark served in Nottinghamshire Police for 7 years prior to moving to Australia and it was through his job we came. I grew up without a father and my wish had always been to find him.

When I met Mark, he put his detective hat on and found him in Wanthaggi, Victoria so that was my reason for the big move, to meet and build a relationship with my dad.

We are now proud Australian Citizens.

Mark and I both previously worked at Mullewa Police Station.

We both enjoy the small country life and are very much looking forward to meeting the community.

Mark is very pro-active when it comes to being involved with the community and is a volunteer Firefighter. He loves his cars, gardening and motorbikes and I enjoy and other crafts.

Our very own local resident, Tom OGDEN was lucky enough to pop into the station when our Police Commissioner, Col BLANCH was also visiting. Mr BLANCH was keen to assist and certified Tom's licence for him. It isn't every day you get that kind of police service!

Thank you and keep safe,

Three Springs Primary School

On Friday 29 November, students and Teach Learn Grow tutors were treated to an afternoon of water and colour. Students competed in classes tackling the obstacle course and being bombarded with water and coloured chalk. Funding was provided by WA Respectful Relationships to purchase the chalk and the P&C provided icy poles. It was an afternoon of laughter, building of positive relationships and respect, and lots of colour.

Kind regards,
Shirley

Christmas Dinner Tues 10th Dec

A MEAL 4 U is a volunteer service providing home cooked, hot meals to community members in the town who are over 65 years old and live alone.

Since Dec 2023, over 200 meals have been cooked & delivered by a dedicated group of volunteers with the generous support of local businesses, neighbours & family members. This cooperation has meant that we are about to provide meals until the end of 2024 at no cost!!

What started as home delivery of just a hot meal, has evolved into a meal with desserts, the Red Room dine-in option, frozen meals from previous dinners and excess produce from the IGA being made into delicious soups. Even the children from the Child Care baked biscuits with love and a note for delivery to the seniors.

May this program continue for many years with the support of local businesses, community, the Shire of Three Springs, volunteers and most importantly, the wonderful seniors who provide encouraging feedback and heart-warming thanks.

Rangers Notes

Did You Know... feral cats kill our native lizards and small birds in the region. You can help to reduce feral cats in our township.

1. Contact the Shire Office Administration.
2. For \$100 bond we can issue you a cage for trapping which will be returned to you when the cage is brought back
3. Once caught, bring to the Shire Office, It's that simple.

Lets work together to reduce feral cats before they mount up to an uncontrollable level.

Thankyou to residents who are already actively doing this.

Laws for Responsible Dog Owners

Your responsibilities

Dog control Penalty: \$200 to \$5,000 If you own a dog, you have a legal responsibility to keep it under control, either within a fenced area on your property or on a leash when in public.

Dogs barking Penalty: \$200 to \$5,000 As a dog owner, you are responsible for ensuring that your dog is not creating a public nuisance by barking excessively. Nuisance barking also covers public places adjoining the premises.

Removal of dog droppings Penalty: Varies Dog droppings are a source of annoyance to other users of footpaths and recreation areas. Most local governments have local laws that require the person in charge of the dog in a public place to remove their dog's droppings and adequately dispose of it.

Penalties for dog attacks Penalty: \$3,000 to \$20,000 Potential imprisonment A dog attack is a very serious matter. If your dog attacks a person or another animal, you will be held responsible even if you are not there at the time.

Dog registration Penalty: \$200 A dog owner is legally required to register his or her dog with the appropriate local government if it is more than three months old. Contact your local government for a registration form and list of applicable fees.

Registration tags Penalty: \$200 Your dog is required to wear a collar to which must be attached a valid registration tag. This tag will be issued by your local government when you pay your registration fee
